

Monsoon Meeting and Tea Party 2012

2012-08-25, 18:30–20:30

The meeting will be held to pass the accounts of the Society.

We plan to show the film "Kevat" - the Song of the Boatman. This film is about the boatmen of Keshorai Pattan near Kota and is fifteen minutes long. The editor, Tahir Hussain, has been invited to talk about the film. This film is in Hadoti with English subtitles. We will also be showing a three-minute environmental film "Midway."

This will be followed by our monsoon tea party.

This event is only for members and invitees.
