We are very sad to report the death of the long time cemetery chowkidar, Abid, on 31st August, 2020 from lockdown health complications unrelated to covid-19. Members and friends kindly donated Rs. 63300 for Abid's widow, Mumtaz, who became seriously ill in November. Abid's son, Adil, has moved his chicken biryani business to outside the cemetery gate and is looking after the cemetery with his uncle Zaeed.
