Sahapedia invited our treasurer, Victoria Singh, to document the Hadoti museums for their online resource [www.museumsofindia.org](http://www.museumsofindia.org). The Government museums in Baran, Kota and Jhalawar are now included in this valuable national database and the Garh Palace in Kota. The museum in Baran was opened in August 2020.

The museum in Jhalawar is a gem and well worth visiting. See Jhalawar museum [here](#).
