

Storm Damage in British Cemetery

2015-06-15 07:52 by Victoria Singh

Elizabeth Burton's tomb damaged

During the storms in early June, this branch fell from the *jamun* tree and broke a section of the *chajja* on Elizabeth Burton's tomb. We will get it repaired by heritage experts and have requested permission from the tehsildar to pollard the tree so no more damage is caused.
